### Definition of Stakes

Open – A Stake in which dogs have the opportunity of gaining a qualification towards the title of Field Trial Champion [K Regs refer] and towards entry in the Championship or Champion Stake for its breed; in which entry is open to all dogs of a specified breed or breeds except that such Stakes may not be confined to Any Variety Spaniel [except Spaniel (Cocker) and Spaniel (English Springer)]. It may be limited to a prescribed number of runners [J4 refers], in which case these shall be decided by a draw conducted in accordance with Regulation J7.i. so that preference is given to previous performance.

Novice – A Stake which is confined to dogs which have not gained a place which would qualify them for first preference in the draw for Open Stakes.
